

LET'S SAVE HUMANITIES!

Through history, literature, philosophy, languages, and the arts, Humanities connect us to one another. The NEH only receives 0.003% of the total federal budget. Use the prompts below to see how humanities enrich our communities and to imagine how they can continue to do so.

SUPPORT HUMANITIES!

- ① Write or draw how humanities impact your life right now:

- ② What projects in your community are funded by NEH grants?

- ③ How can you continue supporting the humanities during this crisis? Who can help you?

- ④ *The future starts now.* When the dust settles, how do you want humanities support to look?
